Kristelle Luk tong, Alentaris

"Good location in an amazing environment. The meeting room was clean and quiet, perfect for our meeting. Everything we needed for our meeting was readily available. The staff was very friendly and helpful. Will definitely be back and will be using this service again."

Yumilah Govinden, ENL Foundation

"We salute the feel good factor of the meeting rooms. The conference space does not only look comfortable but feel comfortable for those using it. The room is clean, no loose cords, and you are provided with up-to-date equipment. Colors are neat and lightning is perfect. Décor is minimalistic making the space agreeable and calm."

Hema Julha, Lucrin

"Nous avions réservé 2 salles de conférence dans The Pod que nous avons converties en studio photo. Leur proximité avec notre bureau situé à The Factory et les diverses commodités se sont avérées extrêmement pratiques pour nous. Notre aspect préféré était le fait que nous pouvions enlever la cloison de séparation pour créer un espace immense pour filmer des vidéos et capturer des photos simultanément."
