Recycling bins
in the lobby (coffee pods, light
bulbs, small IT items, batteries)

A **strategic
location** to
do business

Vivéa is built on a historical sugar factory, surrounded by echoes of its past and ancient trees all around. The evolution, initiated in 2007, has resulted in a thriving business park that provides a seamlessly convenient and inspiring environment.

Vivéa Business Park is growing bigger as part of **Moka Smart City's progress**, offering even more opportunities.
